Colossians 1:24-29

1. Paul's ambition - and the ambition of every biblical church - is to "present everyone mature in Christ" (Col 1:28). In what ways/areas of your life have you seen noticeable progress toward maturity in Christ in the last few years? How (by what means) has God grown you in maturity?
2. In what areas of your life do you sense the deepest need for continued growth in maturity in Christ?
3. Why are committed, deep relationships with other believers necessary if we are to make progress toward maturity in Christ? If possible, give an example of how God has used such relationships to grow you in the past.
4. How can Paul's ambition to present everyone mature in Christ shape our vision for what our Life Group could and should be? Consider:
 - a. The ways we pray for one another
 - b. The ways we care for one another - during and outside of the group meeting
 - c. The ways we prepare for and commit to the group meeting
 - d. The ways we invite and engage with new people in our group
